# Referral PROGRAM

The **HOTEL** Industry is **booming** more so in East Africa, than anywhere else in Africa, experts believe that the industry will continue growing rapidly for several years. With

this fact, hotels, restaurants, guest houses, serviced apartments are springing up everywhere around us, the unfortunate reality is that many are put up and run without expert knowledge or advice, resulting to a variety of issues from excessive costs, unhappy guests, unhappy staff, slow business or none, bottom line losses, therefore most are shut prematurely, sold or are leased even at the center of a viable market. Many can be 'turned around' Profitably and Made the 'Local Hero' . We can help, From Start Up, to Management as well as a Turn around & Positioning management. "You can **MAKE MONEY** from any stage as a referral PARTNER."

Seven Generations Management is has newly introduced a referral program that will benefit you, with some **EXTRA CASH** .

## How does It work?

You can refer us to an owner of a {Hotel, Restaurant, Guest House, Serviced Apartment} OR point us to the right person for ; Consultancy Services, or Hotel Management services and simply earn.

## Earnings
